Indemnification:

Applicant(s) agree to defend, indemnify and hold harmless the City of Lincoln ("City") and its agents, officers, consultants, independent contractors and employees ("City's Agents"), through legal counsel selected by the City, from any and all alleged damages, claims, actions, liabilities or proceedings concerning the Project, whether contractual, statutory, or otherwise, including, without limitation, claims against the City or the City's Agents to attack, set aside, void, or annul any approval by the City, or the City's Agents concerning the Project (collectively "Claim"). The City shall promptly notify the Applicant of any Claim. If the City fails to notify the Applicant of any Claim, the Applicant shall not thereafter be responsible to defend, indemnify, or hold harmless the City. Nothing in this paragraph shall obligate the City to defend any Claim and the City shall not be required to pay or perform any settlement arising from any such Claim not defended by the City, unless the settlement is approved in writing by the City.

Reimbursement:

Applicant(s) agree that the Applicant(s) shall fully reimburse the City for costs incurred in connection with the Application Process regardless of any action taken by the City with respect to the Applicant(s)'s application. Applicant(s) also acknowledge and agree that the Fees (hereinafter "Funds") paid herewith may not be adequate to fully reimburse the City for costs incurred in connection with the Application Process, and that periodically, as the need arises, Applicant(s) may be called upon to make further deposit of Funds. Applicant(s) agrees that there shall always remain on deposit with the City sufficient Funds to cover the anticipated costs to be incurred with the Application Process through the Public Hearing Process. In the event, for any reason, a City request for further deposit of Funds from Applicant(s) is not fully satisfied, within thirty (15) business days the City may cease processing of this application and the related project, and record the failure to make the requested deposit of Funds as the Applicant(s)' request to case processing the application as is herein the legal claim of the title of the property. The failure of the City to request additional deposit(s) of Funds or to cease processing of the application due to lack of Funds shall not constitute a waiver of the Applicant's responsibility to fully reimburse the City for costs incurred in connection with the Application Process. The advance of Funds shall not be dependent upon the City's approval or disapproval of the Applicant(s)' application, or upon the result of any action, and shall in no way influence the Project. Neither Applicant(s) nor any other person providing funding for the Project shall, as a result of such funding, have any expectation as to the results of the Application Process or the selection of an alternative favorable to or benefiting Applicant(s).
